SNAP - Supplemental Nutrition Access Program

Use SNAP to help your family buy healthy food such as fruits and vegetables; meat, poultry, and fish; dairy products, breads and cereals at local grocery stores and supermarkets and even online on Amazon & some ShopRite locations. **We can help you** complete and submit your SNAP application online via the Access HRA portal. It is not necessary to attend in person or visit a local social service office. We will also answer any questions you may have and connect you with emergency food.
